

# OENZ 9 day Alpine Course Gear List

## Packing your bags

**Pack your kit into 2 separate bags.** A large back pack or duffle bag/s to put on the goods lift, and a 35-60ltr pack for your training days out on the mountain.

## Clothing for in the lodge

We suggest bringing some spare comfy clothes and a pair of lodge shoes for in the lodge during the evenings. A towel and toiletries for showers at the lodge, will help keep you feeling human too!

*Note: your guide/instructor will need to sight some of your gear before heading up the mountain. Please place **items listed in Red in an easily accessible place**, these are safety critical items that you **MUST** have for the course.*
